

Since the opening in 2007 of its first shop in Turin, the Italian chain has been sharing its love for high quality Italian products with cities all over the world, particularly New York and Tokyo. Eataly has just opened a new shop in Moscow, and quite naturally they turned to Tournus Equipement once more for the creation of its sales counter for seafood produce.

From Burgundy to Africa

The number of new creations is expanding in Africa in the luxury hotel sector! Radisson Blu, Melia Sol and Suite Novotel in Morocco, Conakry Hotel in Guinea, Kigali Hotel in Rwanda, Mercure Hotel in Algeria and the 5* Zuri Hotel in Zanzibar... The Tournus strategy of enhancing the elegance and style of customers' properties, whilst also offering the best in modern technology, is proving successful for both! Watch this space!
